## Handwoven Treasures

Residents always enjoy our arts and crafts activities! Participating in these activities has many benefits: relaxation, socialization, improving cognition, sensory stimulation, and increasing self-esteem are just a few of these benefits. Our most recent craft involved making small tote bags hand-woven with yarn. They all came out beautifully and were so fun to make!

## Willowbend Employee Appreciation

We recently celebrated National Employee Appreciation Day. Our Administrator, Director of Nursing, Human Resources, and Maintenance Supervisor prepared BBQ nachos and cake for staff to show their appreciation for the hard work put in by the staff at Willowbend!

Thank you for treating us to the delicious meal!

## Keeping it Classic: Popcorn and a Movie

Not much goes together better than a good movie and some scrumptious popcorn. Willowbend residents always enjoy this afternoon activity and look forward to it each month!
